

## SPRING YOUTH SPORTS

REGISTER BETWEEN JANUARY 5 — FEBRUARY 15

In addition to growing our baseball program, we're working to bring back our girls' softball program, AND we are planning to be the first city in the Upstate to add lacrosse as a youth rec sport.

Each program's success relies on the number of youth athletes who register, so while we intend to support each of these sports through Mauldin Rec, modifications to those programs may be necessary based on the amount of registrations we receive.

Please register soon, and contact Mauldin Rec at 864-288-3354 if you have any questions about any of these spring programs.
